

School of Mathematics, Statistics and Applied Mathematics
Module Feedback Questionnaire

This questionnaire will allow you to describe, in a systematic way, your experience of this module. Please respond to every item; think about your experience of this particular module and answer the questions as honestly as you can, indicating how strongly you agree with each of the statements. Please use the text-boxes at the end of the survey to elaborate further on any point. Your constructive feedback will help us refine and improve the module delivery and design. Your answers are strictly confidential.

Please use a dark coloured pen or pencil and completely fill answer boxes.

- 1. The Learning Outcomes of the module are clear to me.
2. The module is well organized.
3. I have access to sufficient materials to support my learning (for example: handouts, library books, Blackboard materials).
4. The feedback I have received is helping me improve my learning.
5. The lectures are clear and well prepared.
6. The lecturer(s) is/are helpful, approachable, and effective.
7. The tutor(s) is/are helpful, approachable, and effective.
8. I have an appropriate educational background for this module.
9. How actively did you partipate in the various aspects of this module (for example attending lectures, seminars, self study, etc.)?

10. What did you like about this module?
Your comments:

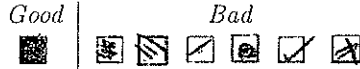

11. What suggestions can you offer that would help make this module a more valuable learning experience for you?
Your comments:

1. The Learning Outcomes of the module are clear to me.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

2. The module is well organized.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

3. I have access to sufficient materials to support my learning (for example: handouts, library books, Blackboard materials).
 agree agree somewhat unsure/not applicable disagree somewhat disagree

4. The feedback I have received is helping me improve my learning.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

5. The lectures are clear and well prepared.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

6. The lecturer(s) is/are helpful, approachable, and effective.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

7. The tutor(s) is/are helpful, approachable, and effective.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

8. I have an appropriate educational background for this module.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

9. How actively did you participate in the various aspects of this module (for example attending lectures, seminars, self study, etc.)?
 a lot quite a lot not much very little

10. What did you like about this module?

Your comments:

Master lecturer. Everything is self contained in course. Notes - excellent, lectures - excellent.

11. What suggestions can you offer that would help make this module a more valuable learning experience for you?

Your comments:

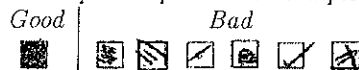

Other lecturers should be forced to sit in and see how its done.

8. I have an appropriate educational background for this module.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

9. How actively did you participate in the various aspects of this module (for example attending lectures, seminars, self study, etc.)?
 a lot quite a lot not much very little

10. What did you like about this module?

Your comments: Well structured, easy follow, notes in class are slightly different to online, so together -> good ~~to~~ to study both together. Huge overlap in physics modules.

11. What suggestions can you offer that would help make this module a more valuable learning experience for you?

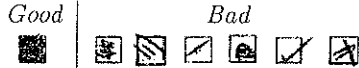

Your comments: Slightly improve pace & structure of tutorials to get more of the problems complete faster. These are great for extra examples of course material.

9. How actively did you participate in the various aspects of this module (for example attending lectures, seminars, self study, etc.)?
 a lot quite a lot not much very little

10. What did you like about this module?

Your comments:
Great Class
Best lecturer in college
Maths movie quizzes

11. What suggestions can you offer that would help make this module a more valuable learning experience for you?

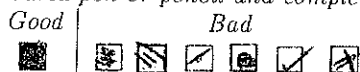

Your comments:
Maybe a bit less separation of variables
- a fair bit repeating from MP237 last year.

This questionnaire will allow you to describe, in a systematic way, your experience of this module. Please respond to every item; think about your experience of this particular module and answer the questions as honestly as you can, indicating how strongly you agree with each of the statements. Please use the text-boxes at the end of the survey to elaborate further on any point. Your constructive feedback will help us refine and improve the module delivery and design. Your answers are strictly confidential.

Please use a dark coloured pen or pencil and completely fill answer boxes.

1. The Learning Outcomes of the module are clear to me.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

2. The module is well organized.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

3. I have access to sufficient materials to support my learning (for example: handouts, library books, Blackboard materials).
 agree agree somewhat unsure/not applicable disagree somewhat disagree

4. The feedback I have received is helping me improve my learning.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

5. The lectures are clear and well prepared.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

6. The lecturer(s) is/are helpful, approachable, and effective.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

7. The tutor(s) is/are helpful, approachable, and effective.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

8. I have an appropriate educational background for this module.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

9. How actively did you participate in the various aspects of this module (for example attending lectures, seminars, self study, etc.)?
 a lot quite a lot not much very little

10. What did you like about this module?

Your comments: *Enjoyed lectures. Content well taught.*

11. What suggestions can you offer that would help make this module a more valuable learning experience for you?

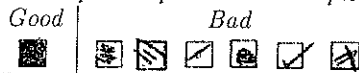

Your comments:
